

Month 11: The Night Watchman Appliqué Positioning Sheet

Follow instructions on pages 23-25. A double-sided fusible appliqué method was used for the sample quilt.

Follow the instructions of your fusible product if you choose to use a fusible appliqué method.

Use this page for positioning. Use page 26 for tracing. Appliqué pieces in numeric order so that layering is correct. Small gray dotted line indicates what is under the other piece.
